## Profhilo

The costs of the treatment depend on the doctor's advice. Depending on your skin condition and the location where Profhilo will be injected, 2 or 3 sessions will be recommended. You will receive a price quotation during your intake. This must be paid prior to the treatment.

Face & Neck (2ml) 1x session	€ 375,00
Face (2ml) 2x sessions	€ 725,00
Body (decolleté, upper arms, abdomen, back of hands), incl. body-crème (3ml) 2x sessions	€ 875,00
Face-crème	€ 49,95

<b>Intake</b>	€ 55,00
---------------	---------

A consultation will take place prior to the treatment.

All the pros and cons of the treatment will be discussed with you.

You will receive information about your treatment and a consent form.

You must take this signed form with you to your treatment.

**The payment has to be settled by debit card prior to the intake.**

**The costs of the intake and treatment listed above cannot be claimed from the insurance.**

### Make an appointment

The referral letter from your GP is not required.

You can make an appointment at our Health and Lifestyle department via following number 070 306 5145. All treatments take place at the IHCH.

Prices are increased annually at least according to inflation correction.
